

10

Simple Ways to

Explore Other Cultures with Your Kids

1. Read a book set in another country.
2. Listen to the national anthem of another country. Then sing along!
3. Listen to folk songs from another country.
4. Watch a folk dance from another country with people wearing traditional costumes.
5. Talk to someone who has visited another country.
6. Read a familiar Bible passage in another language.
7. Draw a picture or build a model of a landmark in another country.
8. Attend an ethnic dinner, dance, concert, or other cultural event in your community.
9. Does your family or your church support a missionary or charity in another country? Find out more about their work and the culture in that location.
10. Go to a museum showing artwork or artifacts from other countries.
