

U.S. Geography

Grade Level: Elementary (1st-4th grades)

Prerequisites: None

Text: *Our 50 States* by Mary Evelyn McCurdy

Curriculum Publisher: Notgrass History

Course Description:

This course is a one-year introduction to U.S. geography designed for students in grades one through four. It features a section on each of the 50 states plus Washington, D.C., and the U.S. territories. The curriculum features simple lessons with easy-to-follow instructions, full-color photographs and illustrations, engaging supplemental activities, and one historic song for each state available to stream or download. Students complete their own student atlas as part of the course.

Course Content/Goals/Outline:

- Introducing students to key landmarks and the culture and geography of each state
- Explaining and illustrating geographic terms
- Developing map skills
- Encouraging creative writing

Types of Assessment Used:

- Review questions
- Review quizzes
- Creative writing assignments
- Map assignments
- Projects
