

World Geography

Grade Level: Elementary (1st-4th grades)

Prerequisites: None

Text: *Our Great Big World* by Mary Evelyn McCurdy

Curriculum Publisher: Notgrass History

Course Description:

This course is a one-year survey of world geography designed for students in grades one through four. It covers all seven continents, focusing on natural wonders, animals, man-made landmarks, and stories about real people. The curriculum features simple lessons with easy-to-follow instructions, full-color photographs and illustrations, engaging supplemental activities, and folktales and songs from around the world. Supplemental activities include map assignments, coloring pages, review questions, and hands-on projects.

Course Content/Goals/Outline:

- Understand how people live in other countries.
- Learn about other cultures through folktales and songs.
- Explore natural wonders, animals, and man-made landmarks.
- Develop creative writing skills.

Types of Assessment Used:

- Review questions
- Creative writing assignments
- Map assignments
- Projects
