

State Flag Bingo

Directions:

- Print the boards and cards. If possible, print them on cardstock. If you do not have cardstock, you might want to glue the boards and cards onto construction paper.
- Cut apart the cards and lay them face down in the center of your playing area.
- Gather buttons, beans, coins, or other small objects to use as markers for the game.
- Each player places a bingo board in front of her and places a marker in the center of her board on the FREE space.
- Take turns drawing a card from the center. If any player has the matching flag on his board, he places a marker on that space.
- Play continues until one player gets five markers in a row. That player calls out “Bingo!” and is the winner.
